

Activity Goals: The goal of the program are to improve the knowledge, skills and behaviors of practicing pharmacists and pharmacy students relative to the prevention of disease through the safe administration of immunizations.

Activity Type: Knowledge based

Continuing Education Credit: Continuing Education credit has been approved for **0.3 live continuing education units (CEUs)/3 contact hours of live continuing education.**

Program participants must sign in at registration, and complete the online program evaluations and learning assessments through the ACPHS Learning Management System (LMS).

Directions for accessing the ACPHS LMS will be included with your handouts on the day of the program.

Target Audience: Pharmacists, student pharmacists, and pharmacy technicians. [This program is not ACPE accredited for pharmacy technicians; however technicians can receive statements of credit]

Statement of Disclosure: In accordance with ACPE Standards, ACPHS requires that speakers and program planners disclose any relationships that they may have with commercial interests whose products or services may be mentioned in their presentations.

The Vermont Pharmacists Association reserves the right to cancel a program due to unforeseen circumstances.

Albany College of Pharmacy and Health Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education:
