Return Service Requested

Activity Goals

The goals of the program are:

1. Recognize the benefits of pharmacist provided Medication Therapy Management (MTM) services.
2. Identify the requirements and essential components of MTM services.
3. Prepare pharmacists to better provide patient centered care

Activity Type

Knowledge based

Continuing Education Credit

Continuing Education credit has been approved for 0.5 live continuing education units (CEUs)/5 contact hours of live continuing education.

Program participants must sign in at registration and complete and return the learning assessment packet at the end of the program to receive credit for this activity. The learning assessment packet includes a participant form and program and individual speaker evaluations. Statements of credit will be mailed within three weeks after the program.

Target Audience

Pharmacists, pharmacy students and pharmacy technicians. [This program is not ACPE accredited for pharmacy technicians; however technicians will receive statements of credit]

Statement of Disclosure

In accordance with ACPE Standards, ACPHS requires that faculty members disclose any relationships that they may have with commercial companies whose products or services may be mentioned in their presentations.

The Vermont Pharmacists Association reserves the right to cancel a program due to inclement weather.

Albany College of Pharmacy and Health Sciences
is accredited by the Accreditation Council for
Pharmacy Education as a provider of continuing
pharmacy education

ACPE #s

0045-9999-13-007-L04-P 1.5 hrs.

0045-9999-13-008-L04-P 2.0 hrs.

0045-9999-13-009-L04-P 1.5 hrs.

7:00 – 8:00 AM

Registration, Continental Breakfast, Exhibits, Welcome

8:00 – 9:30 AM

BlueCross BlueShield of Vermont MTM Initiatives

Brian Murphy, MBA, Pharmacy Program Director
BlueCross BlueShield of Vermont, Berlin, VT

Objectives: Upon the completion of this activity the participants should be able to:

1. Describe why a health plan is interested in pharmacist provided MTM services.
2. Identify how a health insurer is initiating an MTM pilot as part of their continuous patient care improvement process.
3. Define how quality of care and responsible cost management are interrelated.

9:30 – 10:00 AM

Break and Exhibits

10:00 -11:30 AM

MTM Software Tool

Robert Squire, CEO
Aprexis Health Solutions, Burlington, VT
and

Nancy Bundek, PhD, Executive Vice President Clinical Program Development
Aprexis Health Solutions, Burlington, VT

Objectives: Upon the completion of this activity the participants should be able to:

1. Describe how tools for pharmacists to provide MTM are necessary to quickly and efficiently manage these services.
2. Identify why the documentation of MTM services is essential for patient care and reimbursement.
3. Outline how a Wisconsin MTM program has been implemented and its preliminary results.

11:30 – 12:15 PM

Business Meeting

12:15 – 1:00 PM
