

Activity Goals: The goals of the program are:

- 1) Educate pharmacists on the Vermont Good Samaritan law and distribution and use of intranasal naloxone for opioid overdose.
- 2) Update pharmacists on prevention of cardiac morbidity and mortality.
- 3) Prepare pharmacists to avoid pharmacy practice pitfalls and review the professional conduct complaint process.

Activity Type: Knowledge based

Continuing Education Credit: Continuing Education credit has been approved for **0.5 live continuing education units (CEUs)/5 contact hours of live continuing education.**

Program participants must sign in at registration and complete and return the learning assessment packet at the end of the program to receive credit for this activity. The learning assessment packet includes a participant form and program and individual speaker evaluations. Statements of credit will be available through the NABP CPE Monitor website.

Target Audience: Pharmacists, pharmacy students and pharmacy technicians. [This program is not ACPE accredited specifically for pharmacy technicians; however technicians may request a printed statements of credit]

Statement of Disclosure: In accordance with ACPE Standards, ACPHS requires that speakers disclose any relationships that they may have with commercial interests whose products or services may be mentioned in their presentations. The Vermont Pharmacists Association reserves the right to cancel a program due to inclement weather.

Albany College of Pharmacy and Health Sciences is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education
